About My Child

We look forward to spending time with you and your child and getting to know your family. Please take a few moments to tell us a little more about them, so we can best support them in the Sunday School classroom.

A nice thing about my child is...

What are you child's strengths?

What are your child's needs?

How does your child feel about church and Sunday school?

Is there anything else you would like to share to help us support your child and your family?

Thank you!
